

Edheads™

Activate Your Mind!

Combat summer brain drain!

Your student can become a surgeon, engineer,
meteorologist and more!

While engaging in the fun of 'test driving' new careers in
online simulations, they will be practicing the skills and apply-
ing the knowledge they learn in school. Memberships are just
\$20 a year for families!

Check out www.edheads.org
and join today.

Use promo code
FABFAM15 for a \$5
discount.

This activity is not sponsored by Upper Arlington Schools.

Edheads is a nonprofit corporation whose mission is to expose K-12 students to high-paying, interesting and in-demand STEM careers, while applying classroom curricula to real world challenges.

Edheads' games are designed with real STEM (science, technology, engineering, math) experts and teachers to make certain all of our games are accurate and age appropriate. For more information about our games, see <http://edheads.org/page/GameInfo>

This activity is not sponsored by the Upper Arlington City School District.
